Quick Quotes

Q. Congratulations.

JACKSON KOIVUN: Thank you.

Q. Nice finish. Are you pleased with the golf this week?

JACKSON KOIVUN: Yeah, for sure. This week was good. Shows me I can come out here and do it.

I think top 10 right now; might slip out of that category, but happy with the way I played. Looking forward to next week.

Q. And you're ISCO next week?

JACKSON KOIVUN: Correct.

Q. What's the schedule after that, do you know?

JACKSON KOIVUN: I got a couple more am events after that. I am in the western right now, playing U.S. Am and the Walker Cup, so really looking forward to those.

Happy to come out here and have the opportunity to play.

Q. Ramp up the week off the golf course for me. It's been obviously hometown, all that. What has that been like and how have you been able to handle it? What you did you learn from having to deal with everything going on on the course as well as off?

JACKSON KOIVUN: Yeah, it's been great. Got to meet some my dad's old high school buddies a little more and they've been very generous, had us over for dinner a couple times. Just hanging around them. Been very comfortable week for me. This place is a very, very awesome.

Q. Does this kind of whet the appetite a little bit for you to get back here in future years?

JACKSON KOIVUN: Oh, for sure. This place is, like I

said, awesome. Golf course is great. They do a great job with the tournament. I'm just very fortunate to be able to compete this week.

Q. What did you learn about your golf game this week? Anything jump out at you, see some improvement in anything in particular?

JACKSON KOIVUN: Yeah, I putted really well this week; drove it well. Definitely tighten up the irons and wedges a little bit, but overall I feel like the game is in a pretty good spot.

Just got to keep getting a little better every day.
